From: PDS\_Notification\_Manager@jpl.nasa.gov  
Subject: PDS Subscription Service Release

Dear PDS Colleague,

We have upgraded and enhanced our Subscription Service interface.

The PDS Subscription Service URL will continue to be  
[http://pds.jpl.nasa.gov/subscription\\_service/](http://pds.jpl.nasa.gov/subscription_service/)

Some of the major changes are listed below:

- \* Email address and password are required for login.
- \* A summary of your current subscription is provided.
- \* Only four entry fields are required for new subscriber sign up.
- \* The web page has been restructured; some of your old Subscription Service bookmarks may no longer function.
- \* The Account Update page has been temporarily disabled while we reorganize the web page; in the meantime please contact the PDS Operator at [pds\\_operator@jpl.nasa.gov](mailto:pds_operator@jpl.nasa.gov) for any login questions or password resets.

Please visit us soon and take advantage of the new Subscription Service pages. We welcome any feedback and comments.
